

I am writing regarding keeping K-Love radio on the air in my community as well as all the other communities it is available. K-LOVE has become an important part of my daily routine. It is a radio station that is contemporary but also wholesome and uplifting that my whole family can listen to. If K-Love was displaced by an LPFM broadcaster providing other programming, it would have a negative effect on my family and community because there aren't many family friendly radio stations in our community. I believe that the service provided by K-LOVE is in the public interest because it has benefited and helped many many people through encouraging words on air as well as having staff available at any time for people to call in for help. Please keep K-Love available on air.
